# CLAUDIE Design

We crafted a website for, showcasing interior design services.

Workshops:

Claudie Design stands out for its exceptional interior design services, taking the art of design to new heights.

1
Crafted a compelling website for Claudie Design, a prominent player in the interior design industry, by leveraging industry-standard tools, Google Material design patterns, and the 300DEVS Angular CDK.
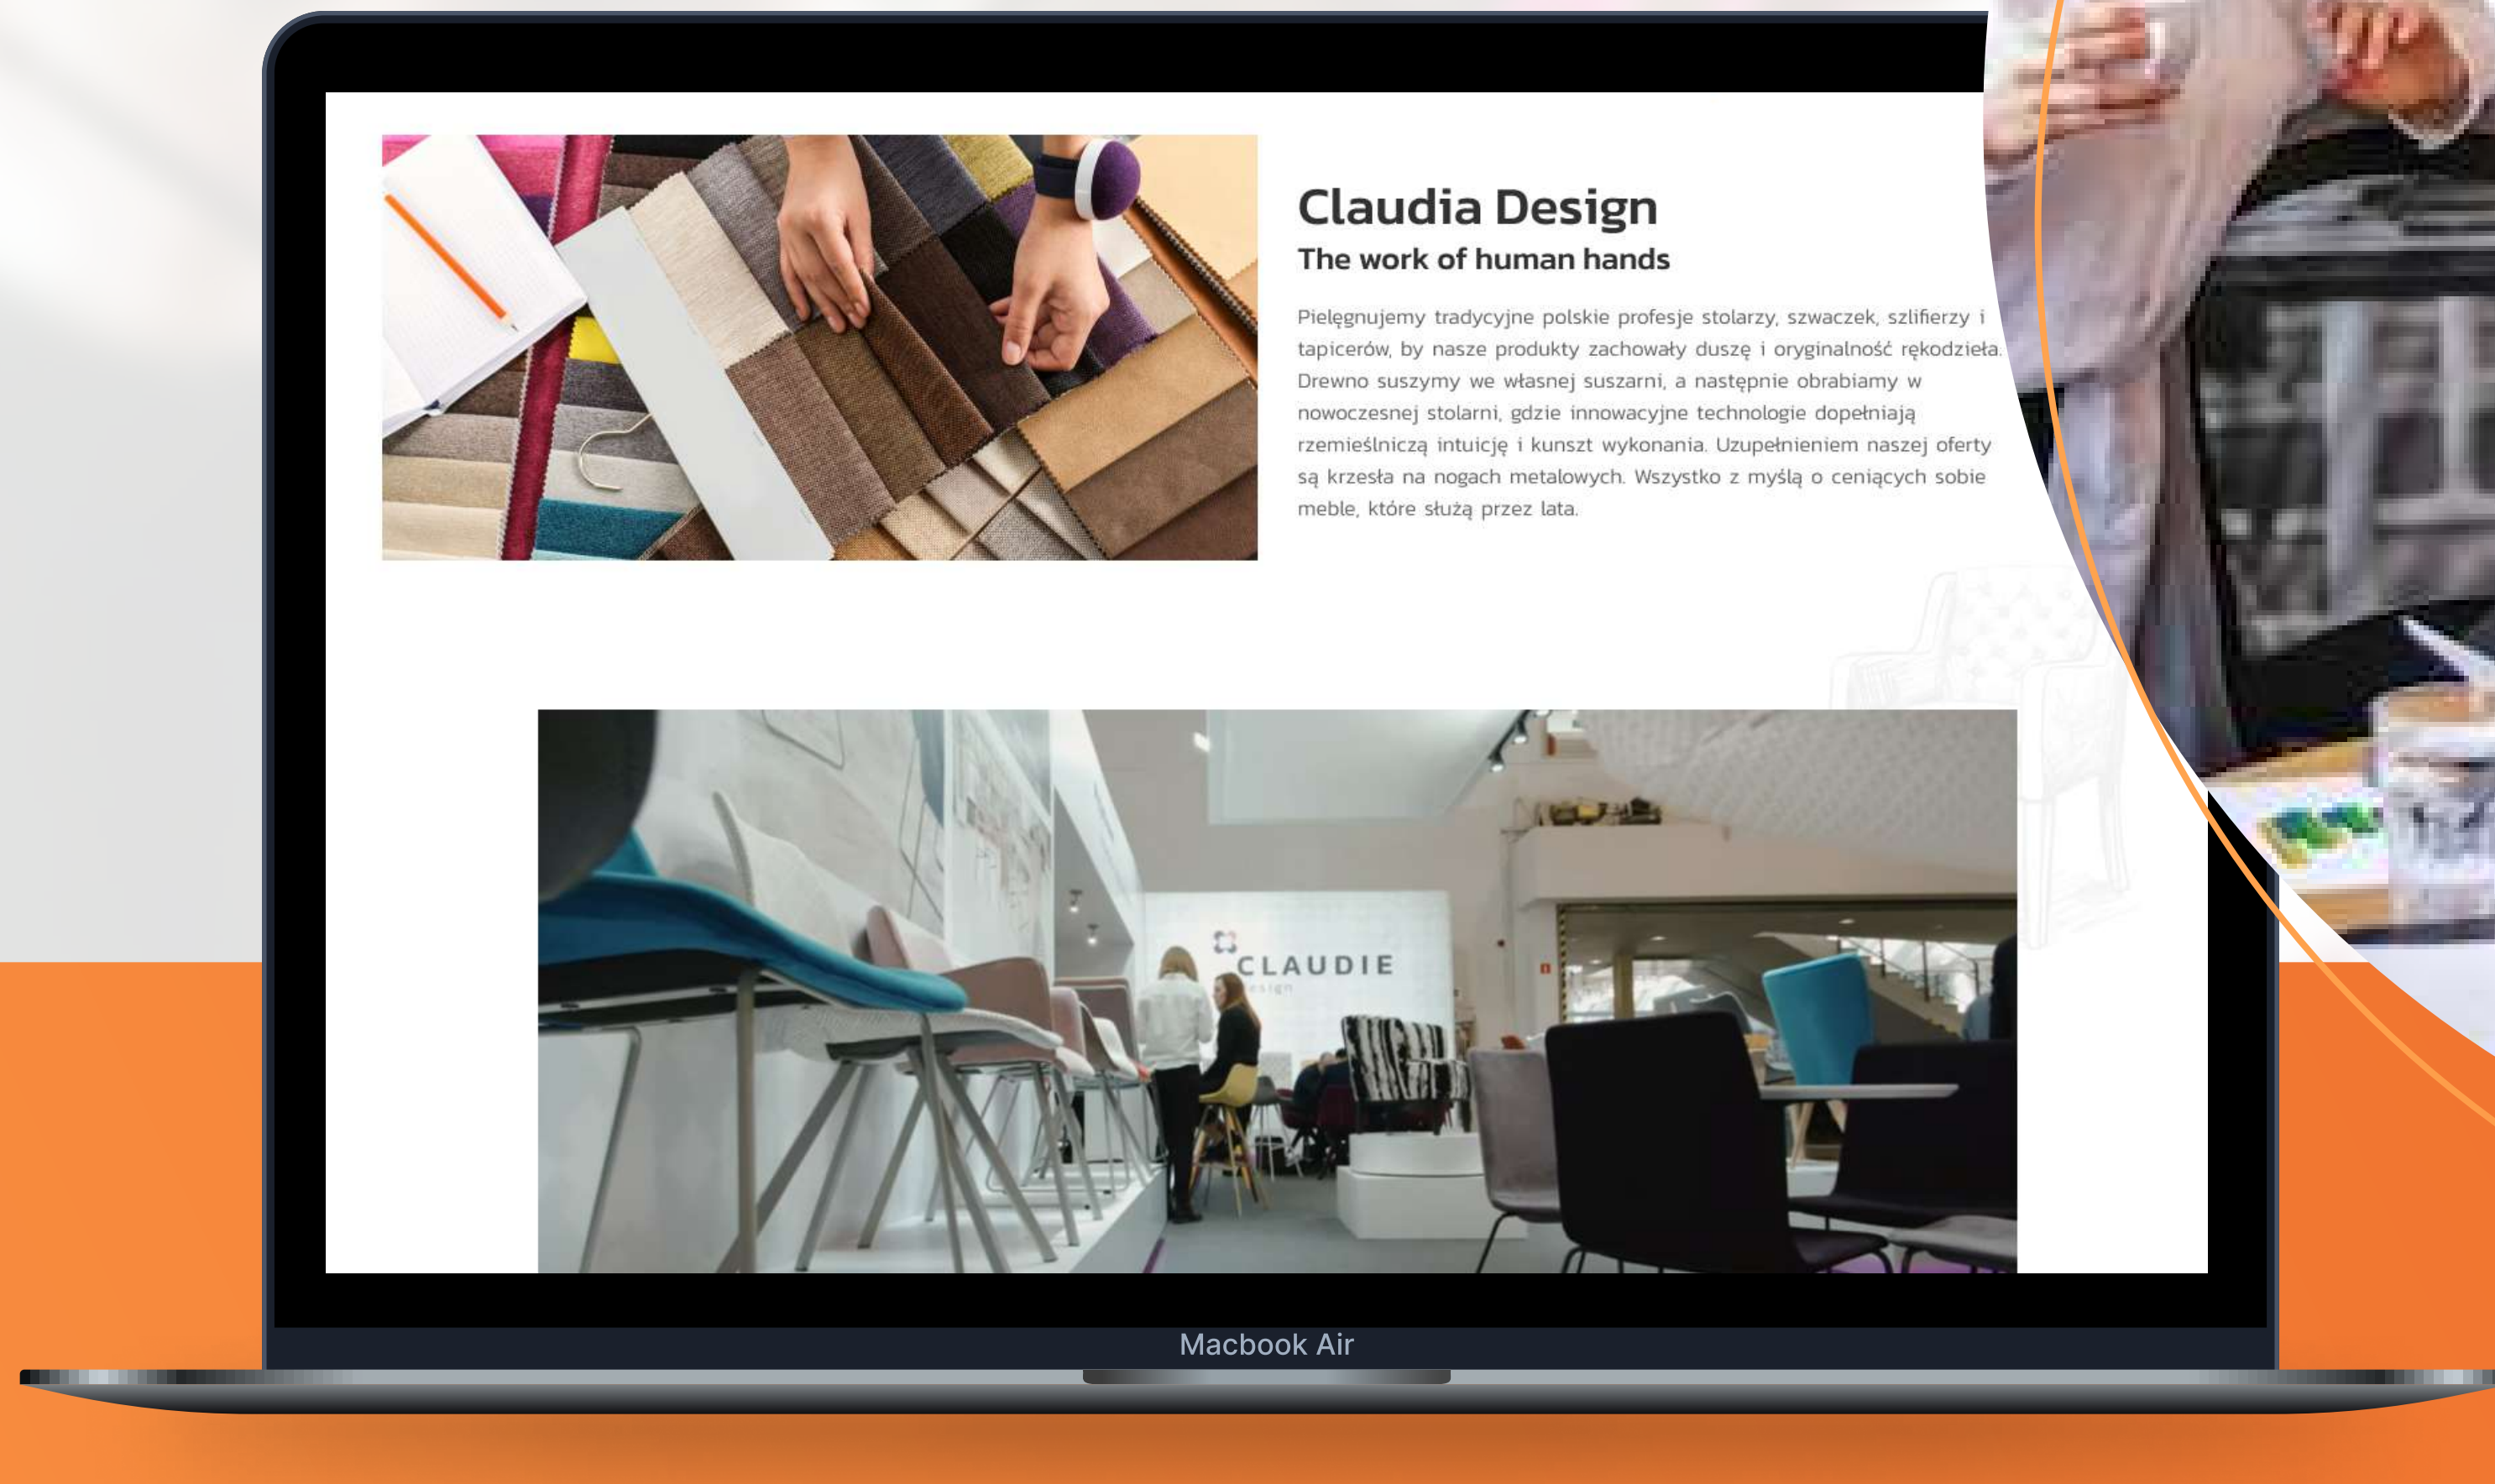

2
Delivered a visually appealing and user-friendly platform that resonates with the interior design industry's sophisticated aesthetics, ensuring a seamless online experience.

3
The website empowers Claudie Design to showcase their creativity and design expertise, attracting clients in the competitive world of interior design.

Designs

The development process for the Claudie Design website began with the creation of design concepts. These designs were tailored to the field of interior design, aligning with the company's specialization and artistic vision.

Mockup

Detailed mockups were crafted to visualize the user interface and functionality of the website.

These mockups reflected the elegance and aesthetic considerations associated with the world of interior design, providing an immersive experience for visitors.

Testing

Extensive testing procedures were conducted to ensure the website's functionality and user experience met the high standards expected in the interior design industry.

These tests aimed to confirm that the website effectively conveyed Claudie Design's artistic and creative vision.

Coding

Leveraging industry-standard tools, including the 300DEVS Angular CDK and Google Material design patterns from Google Material, the website was meticulously coded to provide a visually appealing and highly functional platform.
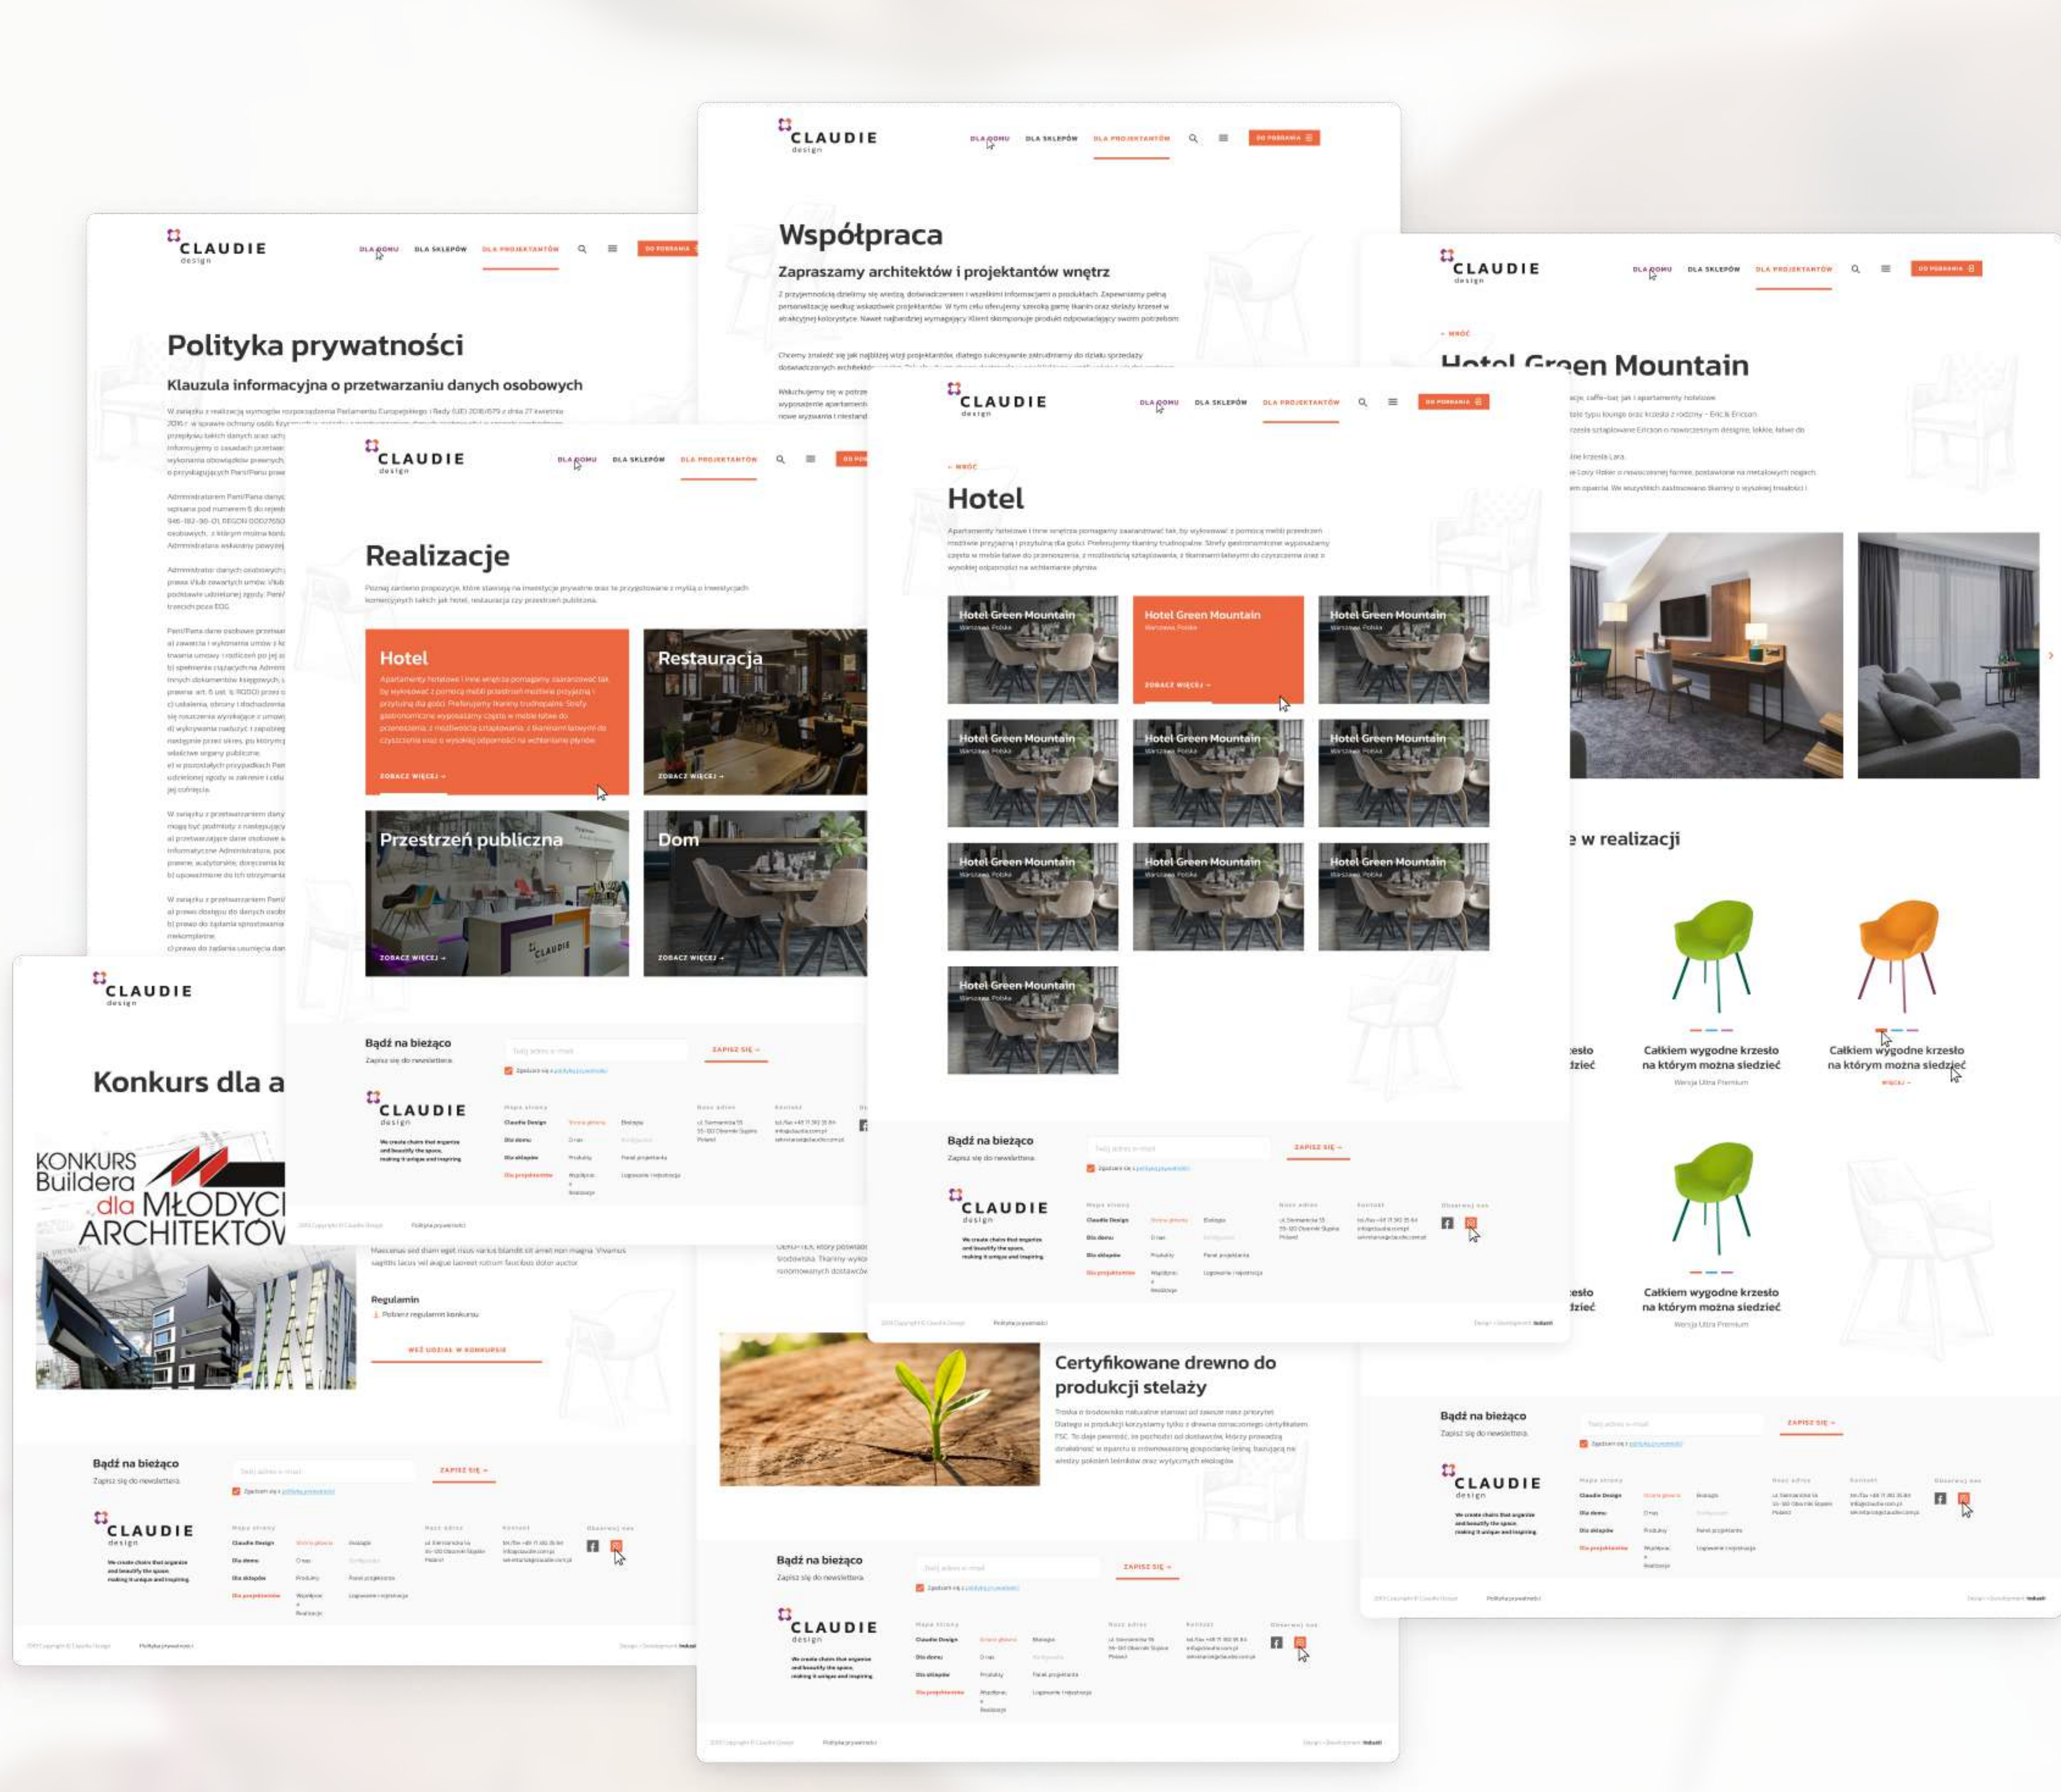

These technologies enabled the website to be a source of inspiration for clients seeking interior design services.

Results

The final product is the Claudie Design website, a virtual showcase of their expertise in interior design. Utilizing the 300DEVS Angular CDK and Google Material design principles, the website offers an immersive and visually captivating experience, aligning seamlessly with the artistic vision of Claudie Design in the field of interior design.
